

Children Central Provides a FREE Mobile App for Daily Parent Communication!

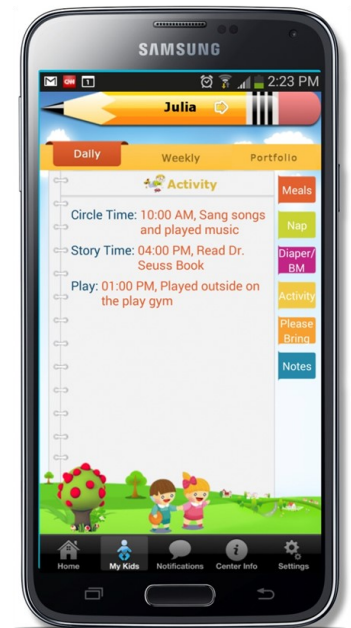

YOUR KID'S DAY JUST A CLICK AWAY...

myKidzDay provides parents with easy access to their child's day on their smart phones. Parents can receive their child's daily report, pictures, reminders, and newsletters on their iPhones, iPads, Android phones, and tablets.

Why do parents need myKidzDay?
Peace of Mind

- Easy access to child's daily real time updates
- Instant portfolio access. Parents can access the reports and pictures from past few months
- myKidzDay is your memory journal
- Don't have to wait at the end of the day just to learn "when was the last time my child ate"
- Always have records handy on your phone
- Receive all reminders and important announcements through app notifications.
- Very secure. Hosted with Amazon
- ***Eco-friendly and it is FREE For the parents !!!***

Available on

iPhone, iPad, Android Phones, Tablets, Chromebooks, Laptops, MacAir

Testimonials

Awesome guys! thanks for being so avante garde :)

No more paper. I love this idea!!!

Amazing way to enhance parent engagement.

I think this is a great idea. I'm amazed at how much I rely on my digital devices. Kudos on taking this great step! (And saving a few forests!).

Communication is the key to a successful relationship with daycare providers. myKidzDay is an excellent app & lets me know that you take communication just as seriously as I do. Thank you!
